

MAGNETIC FIELD EMISSION EVALUATION SYSTEM RCE-80

(주)이레테크

Magnetic Field 시스템 특징

- **Magnetic Field Emission Evaluation with ELT-400 (Narda) according to ICNIRP 1998 Generic Public**
- **Automatic Exposed STD (Shaped Time Domain) Evaluation**
- **X,Y,Z axis each data analysis through FFT-base oscilloscope**
- **Frequency range 1Hz to 400kHz Selectable**
- **Reporting both Frequency Domain and Time Domain Graph**
